CHINEME WINIFRED OMENKA

Portfolio

VIRTUAL OPERATIONS &
ADMINISTRATIVE MANAGER

Profile

I’m a Virtual Operations and Administrative Manager with over 15 years of experience supporting executives and teams across operations, HR coordination, and administrative functions.

I focus on organising workflows, managing schedules, and creating clear and professional documentation. My work also involves coordinating projects and improving digital processes to help teams stay on track and work more efficiently.

Having worked in remote and hybrid environments, I understand the importance of structure, accuracy, and consistency in maintaining smooth daily operations.

Skills & Tools

- **Operations & Administration:** Virtual Operations, Executive Support, Office & Records Management, Recruitment Coordination, Travel & Meeting Planning

- **Project & Workflow:** Project Coordination, Process Improvement, Workflow Optimization (Trello, MS Office, Google Workspace, Automated Scheduling)

- **Design & Documentation:** Technical Writing, Report Generation, Process Manuals (Canva, PowerPoint, Google Slides, AI-assisted Documentation)

- **Productivity & Optimization:** Workflow Automation, Digital Tools Integration, Efficiency Enhancement

Professional Experiences

Virtual Operations & HR | Present

- Managed executive email and calendar systems for seamless team coordination and efficient operations
- Coordinated recruitment (CV screening, interviews, onboarding), reducing hiring cycle times
- Organized travel logistics for executives and teams, ensuring smooth operations and cost-effectiveness
- Produced reports, presentations, and technical documentation, improving operational clarity and communication
- Designed organizational materials using Canva, enhancing internal communication and brand consistency

Professional Experiences

Senior Virtual HR & Administrative Coordinator - 2024 - 2025

- Conducted research and summarized findings for projects, supporting informed decision-making
- Prepared reports, presentations, and technical documentation delivered accurately and on time
- Streamlined invoicing and administrative workflows, increasing efficiency across operations
- Coordinated travel arrangements for teams, ensuring seamless logistics

Professional Experiences

Executive Secretary to Group Head Digital Banking/Divisional Head, CEM | 2016 - 2022

- Managed executive calendars and appointments, enabling efficient workflow and productivity
- Coordinated meetings, training sessions, and logistics, ensuring smooth operational execution
- Oversaw departmental data entry and records, supporting timely reporting and strategic decision-making
- Collaborated with Customer Experience team to resolve complaints promptly, enhancing service quality

Key Projects/Portfolio Highlights

- **HR Onboarding Workflow:** Designed streamlined onboarding documentation and process manuals for new hires, reducing onboarding time by 30%

- **Training Decks & Technical Documentation:** Created comprehensive training decks from start to finish, along with internal guides, reports, and process manuals, improving clarity and operational efficiency

- **Travel & Event Coordination:** Managed multi-destination executive travel, including visas, accommodations, and training room logistics for remote teams, ensuring seamless operations and cost-effectiveness.

- **Process & Workflow Optimization:** Implemented digital filing, administrative workflows, and AI-assisted tools using Trello and other productivity platforms, enhancing team coordination and efficiency

- **Design & Communication:** Produced organizational materials and presentations using Canva, elevating internal communication and brand consistency
